## Support Local Children, Teens, Adults, & Families Who Are Grieving the Loss of a Loved One.

Help us create a world where no grieving person journeys alone. Our Morning of Hope Breakfast Fundraiser aims to raise awareness and much-needed funds to support COJ's grief programs and services.

The loss of a loved one is life's most stressful event and can cause major emotional strain that can impact a person for months or even years, affecting their family life, work performance, and more. The impact of grief on children can be even more profound. Currently, 1 in 10 children in Ohio will experience the death of a sibling or parent by the time they are 18.

Sponsoring our breakfast event is a great way to elevate your company brand among local audiences. Help us make a difference for those grieving in our community! Your generous donation will help us to continue to provide compassionate care and support to individuals and families who have lost a loved one, surrounding them with hope, strength, and healing as they discover their new life balance.

We look forward to your support and encourage you to invite your family, friends, colleagues, and business partners to join us for a memorable morning of hope. ***You'll leave with a full stomach and a full heart!***
